MONDAY: Bible Study

Introduction:

False teachings are capable of destroying the believers Christian race (pilgrimage). This was the Apostle Paul's view and of course the reason behind his writing to the church in Colosse. Paul holds strongly that the Jewish-Hellenistic beliefs that were commonly being practiced, were capable of confusing and destroying the expected spirituality of the church. He wrote therefore to warn the church of the devastating effects of cultic and un-Christian doctrinal practices that were already being practiced alongside Christianity, as a dangerous signal.

The contemporary church is similarly experiencing same, as so many people especially in Africa, are into syncretism as displayed in so many ways, for instance, during weddings, naming ceremonies and birth rites celebrations, etc. In such occasions, some cultural rites sometimes override even the Biblical-Christian beliefs and practices, that are supposed to be practiced far above cultures and traditions. It was from this context that Apostle Paul made some strong submissions that we need to revisit so we can really grasp his message to the church in Colosse and even the church today.

1. God, in the book of Colossians, (1:15-20) is viewed as being:
 - a. Superior to every deity. v.15-17.
 - b. Greater than any doctrine and philosophy, v.18-20
 - c. If believers (Christians) belief 'a' and 'b,' why is syncretism practical today? Discuss.
 - d. God should be believed as sovereign, therefore is the message, (Heb. 1:1-4; Deut. 4:35, 39-40).
2. The church is called for doing what? (Col. 1:21-23, 25-27)
 - a. Holiness and blameless life even beyond reproach, v.21-22
 - b. To continue in the faith, to be established firmly in the Lord, and to proclaim the gospel, v.23
 - c. To display the mystery of God's glory in the believer's life, (v.27; Mt. 7:15-19, Mt. 13:10-11, Rom. 8:9-11)
 - d. The great commission mandate which seeks consistency and is for multiplication. (Mt. 28:18-20).
3. What is the ultimate goal of doing the Christian Church Mission Ministry? (Col. 1:28-29)

- a. What is Paul doing in v.28?
- b. What is his goal in v.29?
- c. Is the church doing well in achieving Paul's ministry focus as reflected in v.28,29?
- d. Where are we not getting it right? Discuss.

Conclusion:

The hope of glory that is set before the Christian (the church of God universal), spurs all fully matured believers in Christ into mission support, so that the ultimate goal of the Christian Church Mission Ministry can be achieved (Col. 1:28-29). As you think about supporting mission work in a special way, remember that the Macedonian churches were commended not because of their riches, but their love for God and their sacrificial giving in support of the brethren in the church in Jerusalem (2 Cor. 8:1-45). We pray that God will bless you so you can support the Church Mission Ministry with the resources available in your hands.

May this hope of glory in you trigger you to a higher level in your pilgrimage, as we live in anticipation of Christ's coming at any moment for the culmination of our ultimate comfort in Jesus name. Amen!

TUESDAY: Talk 1

WEDNESDAY: Mid-Week Prayer Meeting

1. Thank God for His provision, care and safety and the general support of the EMS ministry in the whole of ECWA.
2. Thank God for the people that have been reached with the gospel and for converts recorded. Pray and commit the new converts that they will grow in the knowledge of the Lord.
3. EMS MISSIONARIES:
 - a. Pray for the outpouring of Holy Spirit upon EMS missionaries within and outside the country; ask God to increase their love

- and passion for the work.
- b. Pray for God's protection against attack, kidnapping and insecurity in the nation.
- c. Pray that their faith will remain firm in the face of trials.

4. **EMS SUPPORTERS:** Pray that God would meet the financial obligations of each EMS SUPPORTER.
5. Pray for the fulfilment of the Core North Project which is all about evangelism and church planting.

THE GAMBIA: Praise the Lord for the successful transition between Rev. Yohanna Turba who finally returned home after five years of service as the coordinator of the EMS mission in the Gambia and Pastor Pallyon'top Johnjames who took over from him. Pray for a continuous fruitfulness of the ECWA Gambia field to the glory and honour of God's name.

SUNDAY

MESSAGE OF THE ECWA PRESIDENT DURING THE FIRST EMS MISSION WEEK SUNDAY, 2021

Greetings.

I bring you greetings from the ECWA Executive in the precious name of our Lord and Saviour Jesus Christ.

Appreciation

I thank you all for your unwavering support for missions through the EMS of ECWA despite the many challenges you are facing. Because you have remained supportive, so much has been accomplished to the glory and honor of God.

ECWA Theme for 2021

Our theme for this year in ECWA is "Christ in you the hope of glory" taken from Colossians 1: 27. The wonderful mystery that was given to us through Paul and which was hidden in ages past is: Christ in me; Christ in you; Christ in us; Christ in every member of the body of believers - the hope of glory. This gospel message is very personal, with Christ in us, as saved believers, we have the "hope of glory." In other words, we can be confident of eternity with Christ in heaven when we know Christ is already in us now. This is a glorious truth that is worthy of our everlasting thanks and praise. Let us live each day as befits this worthy position, to His praise and His glory.

In view of this, we have been called upon to avail ourselves as instruments through which Jesus Christ, the hope of glory would be revealed to peoples of all nations who are yet to know Him. This is the essence of EMS of ECWA, because engaging in Missions and Evangelism is a divine injunction which we must obey regardless of how inconvenient it is for us. Therefore, we must take this matter so seriously because frankly, it is a very serious matter. I am aware of how increasingly difficult it has become to fulfill this task due to hostilities and an unprecedented persecution of the body of Christ. However, we must seize every opportunity to conquer the kingdom of darkness with the message of love because the alternative is surely worse.

Progress in Missions

Despite the challenges of our time, EMS has remained

unwavering in her commitment to spreading the message of salvation to many unreached peoples and groups. Even in hostile territories and enclaves fraught with danger due to the activities of radical Islamic Jihadists, Fulani militias and armed bandits who unleash terror on communities with reckless abandon, the work of missions has not stopped. However, the courage of our missionaries leaves nothing to the imagination, they have remained faithful, giving up everything and ready to sacrifice their lives for the cause. We thank them for their courage, sacrifice and commitment which is largely responsible for the progress made.

This progress has given birth to new mission stations all over Nigeria and in our Cross Borders fields, leading EMS to engage more missionaries to be deployed to these newly opened stations to nurture the growing flocks won for the kingdom. This has brought the number of actively serving missionary couples to 1900. Likewise, many of our field stations have been weaned into full time LCs. EMS has also provided relief to people who have been internally displaced as a result of the incessant attacks that have rocked the country. In addition, EMS is poised to implement some ambitious project and initiatives that will have a great impact and decimate the kingdom of darkness, and this will be unveiled with time. The progress is real, it can be seen and felt and your support has made it all possible.

Comprehensive Updated Data from the Home and Cross Borders Mission Fields

Item	Total
People witnessed to	293,095
New converts	6,194
Rededication	10,500
People in literacy class	4,800
People in discipleship class	5,630
People in baptismal class	6,724
People baptized	1,913
New stations	106
Stations weaned	71

Despite the tremendous push forward and the progress made,

our job is far from been done. EMS desires to deploy more missionaries to the field due to increasing demand and open up many more mission fields, provide more relief to displaced persons, empower communities, and establish more mission field schools as powerful tools of evangelism all over. We are however constrained by the challenges of funding. Your increased and continued support would fast-track the realization of this ambition for missions. In this regards I will urge us all to support missions through EMS even more than ever before, because preaching the gospel and winning all is our first and foremost collective responsibility in ECWA.

Financial Support.

The EMS Income and Expenditure records show a total collection of **N753,761,864.22** (Seven hundred and fifty-three million, seven hundred and sixty-one thousand, eight hundred and sixty-four Naira and twenty-two Kobo only) last year 2020, which was a moderate reduction compared to the amount of **N763,010,862.07** (Seven hundred and Sixty-three million, ten thousand, eight hundred and sixty-two Naira and seven Kobo realized in 2019. The reduction in the collection of last year can be directly attributed to the impact of the COVID-19 Pandemic which took the entire globe by storm. In fact, the amount of support realized last year is remarkable considering the financial hardship we were all plunged into as a result of the upset caused by the pandemic. Going out of your way to give sacrificially for the work of missions goes a long way to show that your hearts are in missions. This is a great encouragement to EMS. I pray that God will sustain our collective partnership in missions until everyone hears the good news.

Once again, on behalf of the ECWA Executive and the EMS leadership, thank you for supporting the work of missions. May God bless you all in Jesus' name.
